New Features Highlight 1951 Key

By HILBERT BLACK

Key reigning the campus one day is to be followed by another in the schedule, the 1951 Key, the University's yearbook, is bringing forth such expectancy as "On the campus" that most pictures certainly flatter her.

Illuminating 228 pages, this year's annual is the largest in the history of the University. It contains a greater number of pages, both inside and on the whole, and a much larger number of photographs and hundred page pictures, which is compared to previous years. There are approximately 2,686 pictures excluding advertisements.

There was no central theme for this year, as has been the practice in previous years, but rather the presenting of pictures is chronological in order.

Several new features are outstanding. Dividing the faculty into the respective departments and dividing the graduating seniors from college, from those they are receiving their degrees are both new poses in making.

During the first two hours of distribution, the staff members distributed 1,405 copies, and though the room may have seemed crowded, the room was moving right along and the Keys were rapidly handed out.

The problem is actually not coalitions, but how to get the election process underway. Last Monday night Buch "discussion reached the floor of the Student Senate. Under the title of, "Most likely to tit" They will be chosen by the student body, as has been the practice in previous years. There are approximately crucial students present.

Keep Student will make the trek to find out how many students should have brought their books to class and they come to some rationalization on why they didn't.

The decision was made this week in the person of "King" Ham H. Cole, lord and master of the Hobeo. Some people preferred the gold medal to the Jubilee. They were chosen by the Student Senate. With the annual election * coming the traditional talk of coalitions, students are now at the point where they feel that such student's agreements never result in choosing the most qualified candidate, and because of this the elections for the office of class "dignitaries" will be held.

Latest addition to the program is the naming of class "dignitaries" the title of the new class, "Dignitaries", and the possibility of dance to a first-rate orchestra.

NWO Track Meet Held Here Today

Over 40 track and field athletes from 40 southwestern Ohio Class A and B high schools will participate in the district track meet here Friday and Saturday, according to meet Director George Mudsick.

The preliminaries get underway Friday at 1:30 p.m. The finals start at the same time Saturday. There will be 20 Class A schools with 288 pupils and 17 B schools with 189 entries.

The winner of the Class A division may be in jeopardy this year with Lima Central boasting one of its best teams. Toledo Loydah has won the honors the past two seasons but Toledo DeVilbiss looks like it will usurp the title this year.

Oak Harbor has taken the title for four years but Clyde has been holding them on the sidelines for the past season.

The Flyers boast one of the area’s top track stars in Bob Fox, who took the 18, 330, and broad jump in the 1956 district. Harold Leisner, Oak Harbor, and Jack Shere, Lima Shuey, were among other 100 event winners returning this year, however, Shuey will compete in the A since Shuey has moved into the big school division.

Only two of this year’s winners are back. Bill Ganser of Findlay and Herb Ulrich of DeVilbiss are a 440 star and Ulrich is a fine pole vaulter.

Bowling Green is also playing host to the district tennis meet on Friday with 10 schools entering. Dean Cunningham is the meet director. Toledo DeVilbiss, Mansfield, and Fremont Ross are the strong net entries.
