Medici Circle presents annual 'Magnifico' and Dorothy Bryan awards

At its recent 10th anniversary gala, the Medici Circle hosted two events to mark its success and celebrate the achievements of its members. The evening included a gala and a presentation of the annual 'Magnifico' and Dorothy Bryan awards, recognizing outstanding contributions to the arts and sciences.

The gala was held on [date] and featured a variety of events, including a performance by the Medici Circle orchestra, a silent auction of works by local artists, and a reading of excerpts from classic works of literature. Attendees enjoyed a sumptuous dinner and listened to speeches by key figures in the arts and sciences.

The 'Magnifico' award is given to an artist or scientist whose contributions have had a significant impact on the Medici Circle's mission. The award is named for a painting by Raphael, the 'Magnifico' of the Medici family, which is one of the most famous works of art in the world. The 2018 recipient of the 'Magnifico' award was [name], a renowned artist known for his innovative use of color and technique.

The Dorothy Bryan award is given to a student or faculty member who has demonstrated exceptional promise and dedication to their field. The award is named for Dorothy Bryan, a celebrated scientist whose work in the field of genetics has had a profound impact on medicine and science. The 2018 recipient of the Dorothy Bryan award was [name], a distinguished faculty member known for his research in molecular biology.

The Medici Circle is a non-profit organization dedicated to supporting the arts and sciences. It was founded in [year] by [founder], with the goal of fostering a community of excellence and intellectual exchange. The organization sponsors a variety of events, including concerts, lectures, and exhibitions, and is home to a collection of rare and important works of art and science.

Readers help celebrate National Library Week

Libraries and learning resources will come together on Wednesday, April 25 in Jersey Library as part of a celebration of National Library Week. The event is designed to highlight the role of libraries in the community and encourage people to use the resources available to them.
