## Students Get '64 Keys Now

The "Key" office will be open Monday through Friday from 11:15 a.m. until 1:15 p.m. for the remainder of summer school so that those students who have not already picked up their yearbooks may do so.

M. Carlean Reardon, editor of the 1964-65 "Key" reminded that students picking up yearbooks must present their identification card.

"Also," she commented "students picking up a book for a friend must either present the friend's ID card or a letter from that friend requesting him to get the yearbook."

The "Key" office is located in the north end of Hanna Hall in the basement. The 1964 "Key Supplement" will be mailed to students at their homes in mid-summer.

HOMECOMING QUEEN Janet M. Fritz will appear on the "Ed Sullivan Show" Sunday, along with fifty-one other candidates competing for the title "National College Queen."

## Jan Fritz Represents School In New York On Sullivan Show

Janet M. Fritz, a June graduate, is presently in New York City competing against candidates from every state in the union for the title of Miss College Queen.

Miss Fritz, the University Homecoming Queen in 1963, was named Ohio College Queen in May in competition with queens from other colleges and universities in the state.

The Tenth Annual National College Queen Pageant began Friday and will continue until Sunday. The pageant is an annual highlight of the "New York is A Summer Festival" celebration. Miss Fritz, and the other queen hopefuls, received an official greeting Friday from New York Mayor Robert Wagner.

The contestants will be judged according to general knowledge, academic achievements, personality, poise, and attractiveness. The finalists will be presented on the "Ed Sullivan Show," Sunday, at which time Mr. Sullivan will announce the winner.

Opening hours for many campus services and activities changed with the beginning of the first summer session.

The University Library's new hours are: Monday through Thursday, 8 a.m. to 10 p.m.; Friday, 8 a.m. to 5 p.m.; Saturday, 9 a.m. to 5 p.m.; and Sunday 2 p.m. to 9 p.m.

## Wilberforce, June 12.

The regents' desire to make a personal inspection of the proposed land was given as the reason for the delay. Vice-presidents Kenneth H. McFall and Ervin J. Kreischer argued that delay might cost the University money.

About \$300,000 which has accumulated from dormitory funds is available for the purchase, and no tax money would be needed. The 360 acres borders the campus on the northeast.

"The board members will hold their September meeting at BGSU and will view the proposed purchase at that time," Mr. Kreischer said.

## BGSU To Welcome 320 Frosh Sunday

Approximately 320 entering freshmen, with exactly twice as many men as women students, will begin their college life during the extended summer session, June 21 through August 28.

This is the fourth annual extended session held at the University. The sessions are designed so that the students enrolled who make passing grades will be allowed to register for regular semester classes in February 1965. This summer, the students will take 10 class hours.

The freshmen will arrive on campus to move into the residence halls Sunday. They will be housed in Mooney Hall and Conklin Quadrangle.

After beginning the week with a day of testing on Monday, the extended session class will register Tuesday and begin classes Wednesday.

Parents of the students will attend a pre-registration program also. While the students are being tested Monday, the parents will meet with the deans for special counseling programs.

The parent pre-registration program is a new effort to inform the parents about the extended session's curriculum and activities. This program was designed by Raymond C. Whittaker, assistant dean of students.

This year the students will be counseled by their head residents and the dormitory floor counselors, rather than the special faculty ad-

visers which were usually employed for counseling.

The extended session head residents are: Thomas Hay, Conklin Quadrangle; and Mrs. Gertrude C. Mapes, Mooney Hall.

## UCF Eating Club Planned Again

The United Christian Fellowship is sponsoring a boarding club for the 1964-65 school year beginning in September.

The boarding club will be an off-campus eating club for students, and will take place in the basement of UCF Center, said Karen L. Scovron, chairman of the boarding club committee.

Noon lunches will be served Monday through Friday for 60 cents each. Suppers are to be served Monday through Friday for 80 cents. Sunday dinner will be served at 1 p.m. for 80 cents. A "cost supper" will be held every Sunday at 5 p.m. for 50 cents.

The boarding club is designed to assist students who don't wish to buy a University meal ticket, said Miss Scovron. It has been approved by Dr. Donnal V. Smith, dean of students.

Any student may join the boarding club regardless of religion. Students can apply for contracts for the remainder of the semester at the UCF Center, 313 Thurstin St. No contract is necessary for the Sunday "cost supper."

Students who wish to take advantage of the UCF boarding club will be granted a refund on University meal tickets, said Miss Scovron.

The Huron Playhouse, located on Lake Erie in Huron, Ohio, is operated by the University's department of speech.

In its 15 years of existence, the Playhouse has been the scene for some 460 performances attended by more than 110,000 theatergoers. Nearly 500 students from dozens of different colleges and universities have been members of the playhouse company.

The plays are performed by students, who may enroll in Speech 146, 241, and 243 to gain nine hours of graduate or undergrad-

uate credit. The students, and staff, live in Huron for the summer.

The playbill for the summer includes: "George Washington Slept Here," July 7-11; "Craig's Wife," July 14-18; "Annie Get Your Gun," July 21-25; "Laura," July 28-August 1; "Good Housekeeping," August 4-8; "Ah, Wilderness," August 11-15; and "The Red Shoes," August 13-14.

Curtain time for the performances is 8 p.m. Eastern Standard (slow) Time. "The Red Shoes" will be presented in matinees beginning at 2:30 p.m.

Ticket prices are: \$1.50 for adults; 50 cents for children under 12 and for the children's show; and \$7.50 for the special bargain book. The bargain book offers six admissions for \$7.50, a saving of \$1.50 or 25 cents a ticket. Good for any performance, they may be used one at a time or several at once. Tickets may be obtained by writing to: Huron Playhouse, Huron, Ohio; or by telephoning Huron 433-4744. ## Interest In Extension Classes Requested In Advance

Persons interested in enrolling in an extension class in the fall are invited to fill out the form below.

Since the establishment of the University's four branches, it is harder to determine what subjects will be demanded for extension

classes, and to predict enrollments, according to Dr. Ralph H. Geer, director of off-campus programs.

Some indication of interests in advance will help in planning for most-wanted subjects, Dr. Geer stated.

Mail or deliver to Dr. Ralph H. Geer, Room 222 Administration Building.

# UCF Center Open For Students During Both Summer Sessions

An invitation to summer school students to use the full facilities of the United Christian Fellowship is given by the Rev. M. Eugene Davis, UCF director.

The United Christian Fellowship is a "group ministry" sponsored by seven Protestant denominations, including the American Baptist, Disciples of Christ, Episcopal, Evangelical United Brethren, Methodist, United Presbyterians, and the United Church of Christ.

Through the combined efforts of the sponsoring churches, a new facility, facing the campus on Thurston street, was completed last fall. The new center was dedi-

cated Sunday, September 29, 1963. The center includes a meditation chapel, a theological resource library, offices for the campus pastors, as well as areas for informal meetings and fellowship, discussion, and study and recreation.

Summer hours for the center are: 10 a.m. to noon, 1 p.m. to 4 p.m., and 6 p.m. until 9 p.m. Monday through Fridays. The center will not be open on week ends, except for special events and by advance arrangements with the campus ministers.

The center sponsors a Vesper Service each Wednesday evening from 6:30 p.m. to 7 p.m. in the Chapel. Mr. Davis, an ordained Evangelical United Brethren minister, and the Rev. Henry L. Gerner, an ordained Methodist minister, will lead the services. An open informal conversation hour will follow the Vesper Service in the Fellowship Hall.

"Here the group will discuss current events, social issues, and personal problems in the Christian viewpoint," Mr. Davis stated.

"The center is open to all members of the Summer School Sessions at the stated hours as a place to meet friends, relax, meditate, talk, study, or seek counsel and advise," the director said. "The primary purpose of the UCF is to seek to fulfill the mission and ministry of the church within the university world. In order to better fulfill this ministry this summer, the UCF will have available two campus pastors."

In addition to the campus pastors, there will be a receptionist on duty during the afternoon hours, Mrs. Faye N. Parsons, a June graduate. Miss Rita Riendeau, a senior, will work in the evenings.

# Three Dormitories In Use This Session; Meals Served In 2

Housing for the Summer Session will be concentrated in three dormitories.

All women will be housed in Founders Quadrangle during the summer. The men will live in Rodgers Quadrangle. The men enrolled in the extended session will stay in Conklin Quadrangle. Students that are being housed on campus for the pre-registration sessions will live in the East and West Halls of the Women's Residence Center.

Head residents for the First Summer Session will be: Mrs. Gertrude C. Mapes, Mooney Hall; Mrs. Elizabeth Stockdale, Harmon Hall; Mrs. Kathryn R. Heineman, Treadway Hall; Thomas Hay, Conklin Quadrangle; Carl E. Schwobel, Rodgers Quadrangle; Neal E. Allen, East Hall; and Mrs. Myra M. McPherson, West Hall. Lowry Hall will not be in use during the summer.

Everyone, except the entering freshmen in pre-registration, will eat in the Commons. The pre-registration freshmen will eat in Alice Prout Hall.

The schedule for the dining hours is: breakfast, 6:30 a.m. to 8 a.m. Monday through Friday, and 8 a.m. to 9 a.m. Saturday and Sunday; dinner, 10:45 a.m. to 11:45 a.m. Monday through Friday, noon to 12:30 on Saturday, and 12:30 p.m. to 1 p.m. on Sunday; supper, 5 p.m. to 5:30 p.m. every day.

# BG Hosts First Police Institute

More than 75 area law enforcement officials attended the first annual Police Science Institute held at the University last week.

The Institute, under the direction of Dr. Joseph K. Balogh, professor of sociology, aimed at

broadening the education and background of policemen, detectives, sheriffs and deputies, police women, social workers, highway patrolmen, police administrators, and prison officials in the northwestern and northern sectors of Ohio.

# New Assistant Joins UCF Staff

The Reverend Henry L. Gerner will join the staff of the United Christian Fellowship, July 1.

Rev. Gerner is an ordained minister of the Methodist Church. He received his A.B. from Harvard College, his S.T.B. from Boston University School of Theology, and his Th. D. from Pacific School of Religion.

# Infirmiry Hours Set For Summer Sessions

The Health Service will be open during the summer sessions on a 24 hour basis. For ordinary illness or consultation, the Service officials have requested students to call between 9 a.m. and noon, and 1 p.m. and 4 p.m. Monday through Friday. On Saturdays, students may call from 9 a.m. to noon.

At other hours a nurse will be in attendance and will summon the physician on call whenever necessary.
