Campus Parties Differ
On Student Rights Issue

BY GARY C. REES
Staff Writer

Should student rights be accomplished
by existing channels or by
some different type of action?
This is the major difference of
opinion between Columbia's Inter-
est Party (CIP) and the University
Press Group (OBC).

The CIP is willing to stay within
the bounds of existing channels.
Compromise or negotiation with
the Faculty Senate, establishment
of a professional counseling
service, evaluation of the parking
situation, evaluation of police
development of a graduate student
center.
The difference between the two
is that the former are bound to be
limited by the current administrative
system, while the latter would
be free to go to the voters when a passage
"would remove the necessity of
taking a vote from the University Police
Station."

The CIP was formed as a result of
the B-G News

By June 6, the Columbia
Press Group (OBC) had
already worked out a
set of student regulations
which would be voted on
by the next Student
Council at its meeting
on Monday.

At issue is a plan to begin
charging students for parking
in the Varsity Lot. The plan
would affect only students
who park there regularly.

The B-G News has received a
Judge S. J. V. R. Green screen of
the regulators, and students
who park in the Varsity Lot
would have to pay a fee.

Several students have
already asked for an
extension of the trial period
while the Student Council
meets on Monday. The
proposed fee was to go into
effect in April, but it will be
postponed until after the
next Student Council meeting.

For Helwig

BY RANDY KETCHAM

In contrast to the endorsement the majority of the Editorial Board wishes to make, I believe Rick Helwig should be elected Student Body President in tomorrow’s election.

The students’ rights issue is undoubtedly the major one in this campaign. Both candidates emphasize this issue, although some feel T.D. Evans, opponent, stresses it more. I believe that with Helwig, it is very concerned about students’ rights, but his means to achieve them are different than those of Evans. Evans still seems a more logical, but a better chance for successful implementation.

I am concerned with students’ rights is shown by this statement from Thursday’s press conference: “The assertion of responsible and progressive student leadership in the decision-making process is long overdue.”

However, he stressed the important point that the students must first realize both the conditions and rights to achieve a firm foundation for student self-determination and respect.

Helwig urges the establishment of a University Senate to strengthen Student Council by establishing more respect and support for it, while Evans seems to be impatient with the organization, pointing out a recent setback it had received by the Faculty Senate.

Evans says in his platform that the abolition of student self-governance and the administration triad as separate power entities must occur before the University can realize “participatory education,” as he calls it.

He then contradicts himself by saying he advocates civil disobedience as a final recourse, to be used only if the students’ rights cannot be accessed and the established channels have been used. He has just urged the abolition of these established channels.

He urges the creation of a Community Council form of government which would consist of only one legislative body, comprised of students, faculty, and administrators, with committees in several areas of University life. The percentage of representation for each of these groups on the committees would vary according to their interest in each area. This would give the administration an inherent authority over the students.

I further state that “it is a harmful myth, propagated by those in power, that says the Board of Regents or the Administration has a better idea than the students what their rights are.”

The fact is, these people do have a better philosophy of education because they are specialists who have acquired this knowledge through hands-on experience. I agree that the students should have their legitimate rights, and Helwig seems to be stronger in this field. I disagree with him on the administration and Faculty Senate Is the best way to achieve both formal education and experience.

I believe that the students, who are specialists that have acquired this knowledge through hands-on experience, are the people that says the Board of Regents or the Administration has a better idea than the students what their rights are. This would give the administration no inherent authority over the students.

I further state that “it is a harmful myth, propagated by those in power, that says the Board of Regents or the Administration has a better idea than the students what their rights are.”

The fact is, these people do have a better philosophy of education because they are specialists who have acquired this knowledge through hands-on experience. I agree that the students should have their legitimate rights, and Helwig seems to be stronger in this field. I disagree with him on the administration and Faculty Senate Is the best way to achieve both formal education and experience.

I allow for there to be greater cooperation between Faculty Senate and Student Council. This year, I have asked the student body to send them to student representatives from every department. These boards would design and initiate curriculum changes and workable academic advising systems unique to their academic needs.

I also support Helwig’s rights movement has started, but people should realize it will be a long and involved one that will require close cooperation with the University authorities.

I believe this would be the best person to lead next year’s student body in its quest for legitimate students’ rights. He would do so effectively through the presently-established channels, the only way it should be done, and therefore I support his election for Student body President.
LETTERS TO THE EDITOR

U P Team Replies To Endorsements

RICK HELWIG SAYS

Last Friday’s issue of the B.G. News was characterized by the manner in which it attempted to mislead the students of this University as to student rights. The ritualistic presentation of student rights being re- presented essentially by our illus- trious past president, Mr. Kuhlln of the Editorial Board.

It appears that the requirement inconsistencies are apparent to the dis- couraging student; however, the original intention of the press con- ference was to omit many of my comments and views. In Mr. Kuhlln’s summary discussion, I was told that I would have to do with this statement to clarify some of the statements attributed to me and the questioner to which the response could be used for this endorsement.

One statement quoted was that I thought that civil and criminal law should be extended to the University. This, indeed, in my belief and I quoted cor- rectly, if somewhat out of context. The question asked by the Editorial Board was in relation to the rules of the University regarding a student’s conduct. Kent State officials have no indication that we have academics, between the student of the University and another citizen of the State of Ohio. If the student is considered a citizen then it would follow that he be entitled to all the privileges as restrictions that this rule implies. The privilege would include getting some help any time you feel like it. I was not speaking about what the student is considered to be.”

Last Friday’s News, in an Editorial, endorsed the B-G News Editorial Board’s decision concerning student; however, the Board’s endorsement included some distortion of my beliefs. I think the News should clarify some of the statements attributed to me and the questioner to which the response could be used for this endorsement.

MEL BROWNING SAYS

Last Friday’s News, in an Editorial, endorsed the Student Senate’s bill to abolish the Senior Nominating Committee and establish a primary system.

This will be an especially important election for us because it will be our last chance to decide the type of student government here at Kent State. I think it is necessary to be well informed about the candidates for Student Senate President so that you will like to give some facts about one of these candidates, Al Morgan. Al is an active member of the University Party, and he has been an active and interested observer of the activities of the Student Council. He has helped to plan various U.P. policies and was one of the sponsors of the hill that is now used to arrange and establish a primary system.

Supports Al Morgan

I would like to address this message particularly to my fellow members of the Class of 1968, who on Wednesday, April 12, will have our last chance to vote for student body officers and class represen- tatives.

Recital To Feature Faculty Musicians

Operatic arias, German lieder and Rachmaninoff's "Colette" will be sung by Warren and Nancy Jaworski, instructors in music, at 8:15 tonight in the Recital Auditorium. The concert will be free to the public.

The Jaworskis have presented numerous concerts during the year, including four for the Performing Arts Series at the University's academic centers.

Mrs. Jaworski was the mezzo-soprano, has sung supporting roles in various operas and musicals including "My Fair Lady," and "The Magic Flute." She was also a member of the University's Opera Workshop, and Roberta Jaworski, Instructor in Music Education, has sung supporting roles in various operas and musicals during the University's recent production of "La Boheme."

Mr. Jaworski conducts the University Choir and the Chamber Choir, and teaches voice. He received his bachelor's and master of music degrees from the University of Michigan. The Jaworskis will be accompanied by Ann Pope, wife of University music instructor David J. Pope. Nancy Jaynes, a University of Michigan student, will sing the role of the daughter in the "Coffee Concerto.

Jack M. Silva, graduate student here will sing the tenor role in the concert.

SDS Active In "Viet Week"

April 8 to 15 marks the observance of Vietnam Week, across the nation.

SDS members of students for a Democratic Society and Chisem for a Reasonable Solution in DU Car Rally This Sunday

Sports cars will again break the silence of the countryside this Sunday as the 6th annual Delta Upsilon Sports Car Rally takes to the roads.

Anyone with a sports car, Corvette, Coup Car, Mustang, or Muscle car, for example, is eligible to participate in the rally, starting at 1 pm, outside the White Hut op-posite Harlan's.

For added incentive, as well as the usual trophies for successful competitors, the White Hut is offering free meals to the first four finishers.

An entry fee of $5.50 will be required from all competitors at the start of the rally to cover the cost of maps, trophies, plaques and other organizational materials.

The Delta Upsilon House can be contacted for further information.

Brown Stricken By Heart Attack

University Architect Richard F. Brown suffered a coronary attack last Friday evening in Peoria, Ill. Mrs. Brown was in Peoria attending a seminar on "Total Energy" when he suffered the coronary. He is now in the intensive cardiac care unit of St. Francis Hospital in Peoria.

The latest report from F. Eugene Beauty, director of health services, indicated that Mr. Brown is resting comfortably. He said that the cost of the Brown family are in Peoria with Mr. Brown.

Mr. Jaworski, baritone, has had leading and supporting roles in 30 Broadway musicals and has partici-pated in East Coast tours with Van Johnson in "Music Man" and with John Hamilton in "Vujama Mama." He has sung with the Roger Wagner Chorale and has been guest soloist with several renowned orchestras. He has sung in several operas including the University's recent production of "La Boheme."

Mr. Jaworski conducted the University Choir and the Chamber Choir, and teaches voice. He received his bachelor's and master of music degrees from the University of Michigan. The Jaworskis will be accompanied by Ann Pope, wife of University music instructor David J. Pope. Nancy Jaynes, a University of Michigan student, will sing the role of the daughter in the "Coffee Concerto."

Jack M. Silva, graduate student here will sing the tenor role in the concert.

The United man is looking for qualified new stewardsesses! See him, talk to him, listen to him, complete an application form.

Expansion Of Harshman's International Wing Likely

By JUD WRIGHT
Harmon editor

The 60 new foreign students expected at the University next fall may cause an expansion of the men's international living units to two floors in Harshman A, according to Dr. L. Edward Shack, JR, director of international programs.

The new squad includes Jacques Baumgardner, head, Jane Angus, Sophie Blaha, Darlene McCarthy, Jeanne Nock, Martha Stevens and Wendy Wathington.

Contributions that were de- posited to specific charities were Multiple Sclerosis, $1,400; World University Service, $1,100; Student Emergency Fund, $500; Radio Free Europe, $140; and Perseverance Heights, ELO, STEVE ARSHAN AND DAVE BRUCK for Student Council.

In this screening procedure, preference will be given to juniors and seniors, and applicants will be asked to state what they feel to be the priorities of the international living units.

Applications are available at dormitories from the head residents, and from the international center, 235 Thurstln St.

"Every foreign student will room with an American, and two American students can room together in the international floors," said Dr. Shack. Deadline for appli-

"We ran them and basted them," beamed Falcon Head Coach Mickey Cochran.

"I'd rather run on my record and the UP platform than my picture -- I have a better chance that way."

"I'd rather run on my record and the UP platform than my picture -- I have a better chance that way."
**Baseballers Split With Western**

By TOM HENNE
Sports Editor

It was a weekend for pitchers in Bowling Green.

The Falcons and Western Michigan split a two-game series played Friday and Saturday, and in each contest the big man was the winning pitcher.

Russ Jacques, who hurled four-hit balls from September to November and in the second round of the fall ball, threw his 9th no-hitter here-- and scored on an error.

Away, it looked like shower time for Russ.

For only one run, and it was scored on an error. Shortstop Bruce Roberts glaring from 60 feet 6 inches.

Jacques would be fortunate to last until the fourth frame.

Right field fence.

Barry on a Pat Locanto bunt filled the bases.

Hagerty and Barry.

Bill Becker's single scored Doty moments later.

When the Inning was over, the game might Just as well have been, too, according to Jacques.

"Yeah, I figured we had 'em after that--after the fourth, we were pretty much in control," he said.

Yet from the way the game started, it looked like Jacques would be fortunate to last until the fourth frame.

After getting the leadoff hitter in the first to fly out, second baseman Glenn Merchant walked to the plate, fifteen seconds later he trotted across the same plate, after reflecting Jacques' first offering far over the right field fence.

Things then went smooth until the frantic fourth, when 20-year-old southpaw who was not match for Johnson.

Also looked impressive in the 6 innings he worked-- but he was not match for Johnson.

"Bill did a good job," agreed coach Dick Young after the game. "He wasn't as strong as he was in his first start, but he still did good.

Western scored early and often, as an inside hitter Pat Locanto drilled a single, then stole second and scored on a base hit by leftfielder Jim Redmon.

Becker allowed only one safety through the next three frames, but the Bronchos managed to get together two hits for a run in the top of the fifth when Johnson singled, moved to third on a base hit by Locanto, and scored on a wild pitch.

Western Michigan chalked up another pair of runs in the seventh, as catcher Matt Peraino walked to the plate.

"That pitcher was real fine out there today -- he's the guy that always gets our act on," said Mahler after the game.

Young had nothing but praise.

"We made some errors, but the running game was the fourth inning-- where he got out of bases loaded. He was real fine.

Talking of Western's Johnson, Young had nothing but praise.

"Jim Barry is the best he had. Those 14 K's (strikeouts) were the big thing today," he said. "If they don't let you hit the ball there's not much you can do,"

No one except Russ Jacques knew it, but Friday's game was over after four innings.

With nine out and the bases loaded in the top of the fourth, the speedy stealer from Parma was probably wishing he were back in the safety of the dugout.

With a trio of Westerners surrounding him, shortstop Bruce Roberts glanced from 60 feet 6 inches away, it looked like shower time for Russ.

The junk-throwing, however, managed to get tagged out.

"That pitcher was real fine out there today -- he's the guy that always gets our act on," said Mahler after the game.

Young had nothing but praise.

"We made some errors, but the running game was the fourth inning-- where he got out of bases loaded. He was real fine.

Talking of Western's Johnson, Young had nothing but praise.

"Jim Barry is the best he had. Those 14 K's (strikeouts) were the big thing today," he said. "If they don't let you hit the ball there's not much you can do,"

**Had 'Em After 4th--Jacques**

No one except Russ Jacques knew it, but Friday's game was over after four innings.

With nine out and the bases loaded in the top of the fourth, the speedy stealer from Parma was probably wishing he were back in the safety of the dugout.

With a trio of Westerners surrounding him, shortstop Bruce Roberts glanced from 60 feet 6 inches away, it looked like shower time for Russ.

**Stottlemeyer Leads Yanks In 8-0 Win In Opener**

WASHINGTON (AP)-- The Washington Senators, under the watchful eye of President Lyndon Johnson, lost their fifth straight American League opener to the New York Yankees, 8-0.

The President understandably left after five innings, neither was there anyone crying.

"I'm sure everybody's going to think I'm a little psycologist," said Mahler after the game.

"You can't lose a few -- I can't see even the clump getting through the season without two or three losses.

Dick Young, Big head baseball

coach, isn't so sure, and relies on statistics to kick himself up.

"It's never been done -- we've never done anything with more than two losses," said Young.

Looking back on the six finished games, both coaches agreed that the difference in the games had been the pitching.

"That pitcher was real fine out there today -- he's the guy that always gets our act on," said Mahler after the game.

Young had nothing but praise.

"Jim Barry is the best he had. Those 14 K's (strikeouts) were the big thing today," he said. "If they don't let you hit the ball there's not much you can do,"

**Johnson Tosses 2-Hitter To Win**

If he weren't so good, it would be welfuting to see Jim Johnson pitch.

After watching batters return grumpy to the dugout after waving at three Johnson pitches in Saturday's 6-1 Western Michigan verdict, one gets the idea he is watching Sandy Koufax in his prime.

Johnson isn't really that good, but it might be hard to convince some 16 baseball players otherwise after the speedballing lefthander struck out 14 in his first start of the year.

He had a masterpiece going until Bob White singled in the sixth, and he then finished the game allowing only two safeties.

Bill Becker, who took the hill for Bowling Green, also looked impressive in the 6 innings he worked-- but he was not match for Johnson.

"Bill did a good job," agreed coach Dick Young after the game. "He wasn't as strong as he was in his first start, but he still did well.

Western scored early and often, as an inside hitter Pat Locanto drilled a single, then stole second and scored on a base hit by leftfielder Jim Redmon.

Becker allowed only one safety through the next three frames, but the Bronchos managed to get together two hits for a run in the top of the fifth when Johnson singled, moved to third on a base hit by Locanto, and scored on a wild pitch.

"That pitcher was real fine out there today -- he's the guy that always gets our act on," said Mahler after the game.

Young had nothing but praise.

"Jim Barry is the best he had. Those 14 K's (strikeouts) were the big thing today," he said. "If they don't let you hit the ball there's not much you can do,"

**...And Homers Help Reds Blast Los Angeles In N.L.**

And in Cincinnati, the Reds were the winners, and the Dodgers from Los Angeles lost--again.

The Reds, on top of the National League by half a game, were led by three home runs in their 6-1 victory.

Roundtripppers by Vada Pinson, Dero Johnson and Dick Simpson were the big hits.

One interesting sidelight; when the Dodgers scored in the top of the fifth inning it enabled them to break their scoreless inning streak at 37-- a carryover from last year's disastrous World
