4. Many of you began in your LA positions with reservations about your abilities or preparedness for the LA role. Explain your reservations at the beginning of the semester, and explain if and how they have changed at the end of your semester as an LA.
5. How do you think your views about teaching and learning have changed compared to when you first started the program?
6. How has your understanding changed of what it means to be a member of a teaching team?
7. Can you identify something you do differently, as a result of participating in the LA Program?
8. Did your growth surprise you? Explain.
9. If you had it to do over, would you still sign up to be a LA? Why or why not?
10. What other things would you like to add about your experience being a LA this semester? (optional)

Answer the following four questions if you attended any LA training seminars this semester:

11. How many LA training seminars did you attend (there were 6 total)?
12. In what ways was the training seminar helpful?
13. What improvements could be made to the LA training seminar to better prepare you for your LA role?
14. Comment on how you may have changed as a specific result of participating in the LA training seminar.
