PEER-REVIEW FORM

1. LINE SPECIFIC EDITING. This is either a separate word document & uploaded or filled directly into the textbox provided (the plain text box DOES NOT SAVE your work). General Comments that Authors WILL SEE can be submitted in part 1.

Part 1: Submit your general comments here

2. **Part 2: Reviewers can submit confidential comments that only the editors will see.**

Part 2: Submit your confidential comments here

3. Please complete the portion below by indicating a score for the following Likert- style questions (upload this as a separate form in the attachments section of your review. Please use the description of “PEER REVIEW FORM”):

	Completely Disagree	Disagree	Neutral	Agree	Completely Agree
Does the research fit into the JSMAHS aims and scope?	1	2	3	4	5
Is the manuscript titled appropriately?	1	2	3	4	5
Are the statistics appropriate comparative to the design?	1	2	3	4	5
Does the manuscript follow appropriate sequential order, and have strong readability?	1	2	3	4	5
Are the concluding portions appropriate?	1	2	3	4	5

4. Determine a decision on the manuscript and register this same decision within the peer-review portal.

“reject this submission without the option to resubmit”

“encourage major revisions”

“encourage minor revisions”

“accept submission as is”

*we can not accept any manuscript that does not have a formally registered decision AS WELL as specific line edits.

****Please remember, as a dedicated peer reviewer the time from agreement to decision should be within 21 days**
